SPF 1000

Impactful Paint Protection Film

Impactful Paint Protection Film

Continuing the evolution of our next generation paint protection films, our upgraded SPF 1000, delivers extra paint protection where it is needed most.

At 200 microns, SPF 1000 is our thickest PPF, which offers even more protection with all our self-healing, stain resistance and hydrophobic X-Proof™ Topcoat performance. With a durability of 10 years it ensures the hardest working panels on any vehicle receive the protection they deserve.

Extra paint protection where it is needed most

A 200 micron thicker film, providing more protection and X-Proof™ topcoat performance for the hardest working areas of any vehicle

10 year warranty

Designed and tested for our extreme environment, SPF 1000 is in it for the long haul and comes with a 10 year limited warranty across all zones.

Protect and preserve your vehicle's value

Ultra gloss, virtually invisible and non yellowing, SPF 1000 protects and preserves a vehicle's showroom quality finish by helping prevent wear and tear damage to the original factory paint.

Effortless self healing

X-Proof™ enhanced self-healing enables minor scratches and scuff marks to resolve with ambient heat.

Advanced stain resistance

Highly hydrophobic, the X-Proof™ topcoat enables SPF 1000 to have easier cleaning and greater protection from environmental contaminants such as insect strikes, bird droppings and general fallout.
