# Avery Dennison Heat Gun Pro

## Wrap with confidence

Developed in conjunction with vehicle wrappers, Avery Dennison's new Heat Gun Pro includes requested features to make installation a breeze.

## Key features and benefits

- **Easily adjustable temperature dial, dual fan speed settings**  
Allows you greater temperature control
- **Fast temperature ramp-up**  
Spend less time waiting for it to get up to temperature and more time wrapping
- **Extra-long 5 metre power cable**  
Enables easier access on taller vehicle applications
- **Heat-shielded nozzle**  
Prevents accidental burns or contact with vehicle wrap material during use
- **Enlarged rear facing air intakes**  
Optimised airflow and to prevent overheating when accidentally covered or during extended use
- **Rear rubber feet**  
Enhanced stability and safety when standing in an upright position on any surface.
- **Overheating Sensor**  
Prevents damage when accidentally left on, or during extended periods of use

## Product details

- 80–600°C temperature control
- 230V: 2000W
- 5m / 16.5 ft cable
