

Printable VinylEfx® films allow you to transform ordinary printing into extraordinary printing! If you can print on vinyl, you can print on VinylEfx® films. These eye-catching, glittering vinyls set your graphics apart from other printed images. VinylEfx® prints attract more attention, so your marketing message is noticed, read and remembered. That WOW factor is your competitive edge. For demanding applications such as truck and boat graphics, Durable Series VinylEfx® films are a superior alternative to the expensive simulated gold leaf films. Decorative Series VinylEfx® films are perfect for extended indoor applications, such as POP graphics and for use in window displays.

Applications

POP displays, posters, counter mats and vehicle wraps

Window and trade show graphics

Boat and vehicle decals and graphics

Features

Printable - solvent, ecosolvent, latex, UV curable and screen printing platforms

Vinyl facestock

Benefits

Cuts and weeds like intermediate vinyl

Available in both decorative and durable series
